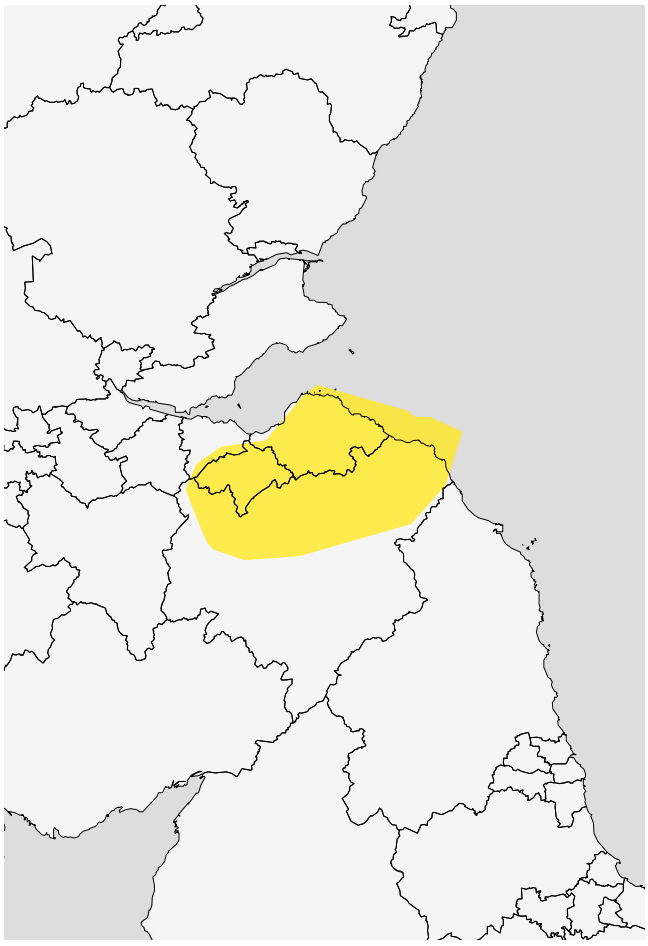
Yellow warning
Rain

Between
18:00 Mon 7 Dec 2020 and
06:00 Tue 8 Dec 2020



Heavy rain leading to localised flooding.

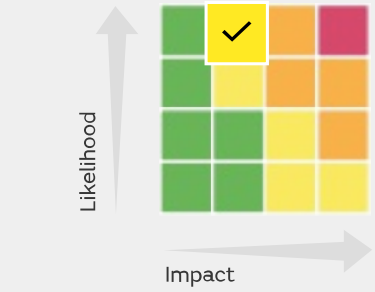
What to expect

- Bus and train services affected with journey times taking longer
- Spray and flooding on roads will make journey times longer
- A few homes and businesses flooded

Further details

An area of persistent and heavy rain will spread in from the east on Monday evening, lasting much of the night before clearing to scattered showers by morning. 20-30mm will fall quite widely across the area with some hills possibly catching 40mm or more before it clears.

With the ground already saturated this likely to lead to flooding in a few areas.



High likelihood of low impacts
